PATENT
Attorney Docket 051530-5008

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: **TransMolecular et al.**

Application No. **PCT/US03/17411**

Filed: **June 2, 2003**

For: **Treatment of Cell Proliferative Disorders
With Chlorotoxin**

U.S. Patent and Trademark Office
Customer Window, **Mail Stop PCT**
Randolph Building
Alexandria, VA 22314

Attention: **International Division
Legal Staff**

**PETITION FOR REVIVAL OF AN INTERNATIONAL APPLICATION
FOR PATENT DESIGNATING THE U.S. ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b)**

The national stage of the above-identified application became abandoned in the United States because the elements noted at 35 U.S.C. 371(c) were not filed prior to the expiration of the applicable time limit noted at 37 C.F.R. 1.495(b). The 35 U.S.C. 371(c) requirements were due December 31, 2004, thus the date of abandonment is January 1, 2005. A Notice of Abandonment is not involved under these circumstances.

The requirements of 35 U.S.C. 371(c) were not met on December 31, 2004 because of an unintentional docketing error for this U.S. National Phase Application. This error was discovered on January 19, 2005 and steps were taken immediately to rectify the situation.

Applicants hereby petition for revival of this application and include the following items:

1. Petition Fee Under 37 C.F.R. 1.17(m): **The Commissioner is hereby authorized to charge \$750.00 to Deposit Account 50-0310.**

2. Proper Response: The proper response (the missing 35 U.S.C. 371(c) requirements in the form of a Transmittal Letter and basic national filing fee under 37 C.F.R. 1.492(a)(3)) is enclosed herewith.

3. Terminal Disclaimer: Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.
